INTERIOR DESIGN

The Edited Kitchen

No room in your home needs to marry form and function more than the kitchen. Often the heart of the home, we will spend more time in here over our lifetime than anywhere else! We bring together your inspiration, ideal functionality, and modern design principles to help you achieve your dream kitchen.

Kitchen Spec Package

Value - \$850 or 1,000 with Dining Add-on

You can have your own Edit designed kitchen from afar!
Package includes:

- » Online and call consultation
- » Cabinet finish, color, & style with notes on layout
- » Cabinet hardware
- » Flooring & backsplash specifications
- » Lighting selections – typically island & dining fixtures
- » Sink(s) and faucet selection
- » Guidance on appliances
- » Paint scheme for kitchen and any adjoining rooms
- » 2 options for each category are provided with links to available products for you to purchase

Dining Add-on:

Let us source your dining table and chairs and any island seating you may need to take your design to the next level! 3 options for each item will be provided. We also work with your cabinet maker from a distance in regard to layout and elevations at our hourly rate.

*Specifications provided are for informational purposes only, please refer to a licensed professional in your area to complete any work. Not all products listed may be in stock. The Edit does not guarantee product availability and is not responsible for any product, its performance or warranties. Re-selections on discontinued products available at hourly rate.
